Colors

Natural White, Sandstone, Natural Gray, Graphite, Carbon.

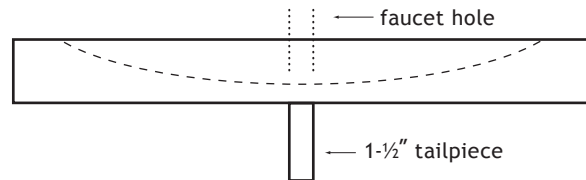

All available with a coffee stain to impart a beautiful, rich brown patina. Coffee stain is achieved with actual locally roasted coffee.

The Urban Loft series is cast with no overflow, utilizing a slot drain that requires no strainer. Decorative strainers can be custom fabricated. An inch and a half tailpiece is cast into the sink. Plumbers simply connect the tailpiece to the waste line with a p-trap.

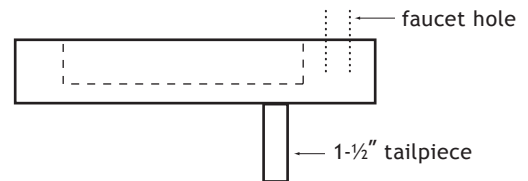

Custom sizes, colors, multiple bowls, overflows*, and the like are available upon request.

*Overflow requires replacing the slot drain with a standard drain.
